Email: daniel.carter@example.com | Phone: +1 555 0172 | Location: Austin, TX

Professional Summary

Detail-oriented accountant with 6 years of experience in general ledger accounting, bank reconciliation, monthly close, financial statements, VAT reporting, income tax support, and audit preparation. Strong background using SAP FI, Microsoft Excel, Power BI, and IFRS-based reporting.

Work Experience

Senior Accountant - Meridian Foods Inc. | 2021 - Present

Prepared monthly financial statements, balance sheet reconciliations, income statement analysis, and cash flow reports for management review.

Led bank reconciliation, accounts payable review, accounts receivable aging analysis, fixed assets control, depreciation schedules, and month-end closing activities.

Supported external audit requests, tax compliance documentation, VAT returns, income tax working papers, and internal control testing.

Accounting Analyst - Northwind Services LLC | 2018 - 2021

Processed journal entries, vendor invoices, payment runs, account reconciliation, payroll tax support, and general ledger adjustments.

Built Excel pivot tables and Power BI dashboards to monitor expenses, budget variances, and monthly forecasting indicators.
